

THE HANGOUT CLUB

We operate the before and after school Club and are based within the Tulip Tree (adjoined to Catshill First School). We take children from both the First and Middle School.

Our morning session runs from 7.30am to start of school and from 3.00pm to 6.00pm.

During the breakfast session we provide a choice of cereals and/or toast along with milk and juices. On the afternoons we offer a small healthy snack and drinks. The afternoon snack changes daily and is on a 3 week rota. A copy of the menu is available upon request.

Activities we include are :- outside play with outside games, a walking wall, sunken tyres, a mud kitchen area, arts and crafts, independent play corner, movie night and much more.

The Hangout Club is registered with Ofsted and all staff are fully trained to a Level 3 Qualification (or working towards), DBS checked regularly and other appropriate training. As the Club is a registered childcare provider, we accept all childcare vouchers to help with payments.

COVID – We operate under our Covid policy which is updated accordingly within Government guidelines. All our policies are available at request.
