Where Individuals Matter

Update July 2018 (next review 2020).

INTRODUCTION.

In January 2013 Catshill Middle School federated with Catshill First School and Nursery under the leadership of an Executive Headteacher, with the purpose of supporting both schools on their learning journey for the children in their care. We have developed an enhanced team of governors who bring with them outstanding support in terms of expertise, energy and a commitment.

Our aim is to provide within our learning community a structure that supports our core purpose of maximising progress and attainment of our children whilst ensuring that we give them life-long learning opportunities that will help shape their character and values.

The most recent Ofsted grading (May 2017) for Catshill First School and Nursery remained as Good and for Catshill Middle School an Ofsted grading of Good was achieved (November 2016) previously this was a Requires Improvement grade.

Our Values and Mission.

The Catshill School Community seeks to be a hardworking, purposeful and caring community based on mutual respect, where all are supported to learn and develop through challenge and opportunity. We seek to develop pupils who are well mannered, tolerant and considerate towards others, who are able to make positive contributions and lead successful lives.

We will achieve this through;

- Providing a safe, stimulating and challenging environment with a broad & balanced curriculum
- All pupils feeling valued, fulfilling their potential and discovering enjoyment in their learning
- Acknowledging, celebrating and rewarding achievements
- Promoting social, spiritual, moral and emotional development
- Encouraging all pupils to accept responsibility for their own learning and to have high expectations
- Developing pupils learning skills so they can be confident, resilient and independent learners
