

# S&H SCHOOLWEAR AND SPORTS

(FORMALLY BROMSGROVE SPORTS)

-  S&H School Wear is a family run business based in Bromsgrove, selling school uniform and sports equipment.
-  We also provide embroidered and printed clothing for local nurseries, clubs and businesses.
-  We are an official stockist of uniforms for Scouts, Cubs, Beavers, Guides, Brownies and Rainbows.
-  We are proud to offer autism friendly appointments, accredited by The National Autistic Society, for children who struggle in busy retail environments. Just contact us to arrange an out of hours appointment.
-  We offer a completely free 'Put By' service during the busy summer months. We will reserve all items for your child's school uniform for a £10 deposit. You can spread the cost over the summer and collect when you are ready. This is a very popular service with schools and parents alike.
-  We have a Pre-Loved rail for used and unwanted school uniform donated by customers. All proceeds go to Primrose Hospice.

# SCHOOLWEAR AND SPORTS

(FORMALLY BROMSGROVE SPORTS)

Due to the ongoing Covid-19 position and in order to ensure the safety of our staff and customers, we are required to comply with Government social distancing guidelines. We will unfortunately have to limit the amount of customers in the shop at any one time. To help alleviate this situation, during the school summer holidays, we will offer longer daily opening hours, appointment slots and be open on Sundays. A first for us!

Is your child just going up a size in their current school uniform? If so, then you may not need to visit us. We will be happy to deliver your items locally, free of charge (minimum £20 spend applies). Please contact us for more details.

Please be assured that all staff are trained in additional hygiene and cleaning procedures.

Please like us on Facebook where you will find more information and up to date news.
