

New Intake September 2022

Welcome to our New Intake September 2022 page. Prospective parents/carers can find useful information about Catshill Middle School on the website. The link to our prospectus can be found in the Open Evening Autumn 2021 tab located under the 'About Us' heading. The prospectus includes lots of useful information about our school.

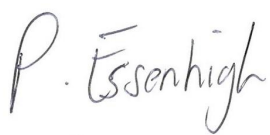

Please be aware that Catshill Middle School is a Local Authority maintained school, which means Worcestershire County Council is responsible for all admission arrangements for this school. This might be different to other local schools who are academies and, therefore, responsible for their own admission arrangements. For further information regarding the actual admissions process (beyond what is provided on our website) please contact Worcestershire County Council.

Also on this website page, you will find a link to a 'virtual' tour of the school and some of the key people who will make you feel welcome when you arrive. There is a second link which takes a deeper look at our school and has a few questions answered by pupils and senior staff.

If you have any questions about our school, please email office@catshill-middle.worcs.sch.uk and we will be only too pleased to try and help you. For safety reasons, visits to the school during the Autumn Term are limited and are by appointment only. They can be made by contacting the school office. Please do not request a visit if your child is not in Year 4.

We would like to wish you good luck with the admission process and thank you for your interest in our school.

Kind Regards

A handwritten signature in black ink that reads "P. Essenhig". The signature is written in a cursive style with a large initial 'P'.

Paul Essenhig
Executive Headteacher
